## BACKGROUND AND LEGISLATION

### BACKGROUND

The Best Start, Best Life reform will help all Victorian children dream even bigger through increased access to quality early childhood education and care. A critical part of the reform is Free Kindergarten, which will support access to two years of high-quality kindergarten programs for all Victorian children. All families with a child enrolled in a funded kindergarten program are eligible for Free Kindergarten, this includes both 3 and 4-year-old kindergarten programs.

Free Kindergarten supports families to access a funded kindergarten program by:

- providing a free 15-hour program to four-year-old children enrolled at a sessional service
- providing a free 5-to-15-hour program to three-year-old children enrolled at a sessional service (subject to the length of funded program offered)
- offsetting the funded kindergarten program component of parent fees for three and four-year-old children enrolled at a long day care service

Free kindergarten supports every Victorian child to get the best start in life no matter where they live. Research shows that play-based learning is a powerful way to support children's learning and development. Two years of early learning is a crucial part of their educational journey, these benefits last into the school years and beyond.

Regulation 168(2) (n) of the Education and Care Services National Regulations 2011 requires that funded services have a comprehensive written fees policy, and the content of this policy must be communicated to families. Any voluntary parent donations and/or fundraising must comply with the Free Kindergarten subsidy guidelines and be responsive to the local community.

## DEFINITIONS

The terms defined in this section relate specifically to this policy. For regularly used terms e.g. Approved provider, Nominated supervisor, Notifiable complaints, Serious incidents, Duty of care, etc. refer to the Definitions file of the PolicyWorks catalogue.

**Approved child care:** Approved child care services are services that have Australian Government approval to receive the Child Care Subsidy (*refer to Definitions*) on behalf of eligible parents. Approved child care includes centre-based day care, including long day care and occasional care, family day care, outside school hours care and in-home care.

**Child care subsidy (CCS):** A Commonwealth Government means tested subsidy to assist eligible families with the cost of child care. Payments are paid directly to approved child care providers. Further information can be found at: [www.education.gov.au/child-care-subsidy](http://www.education.gov.au/child-care-subsidy)

**Early Start Kindergarten:** A funding program that enables three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection to attend a kindergarten program that is planned and delivered by an early childhood teacher for up to 15 hours per week. Details are available at: [www.education.vic.gov.au](http://www.education.vic.gov.au). Children that are eligible for Early Start Kindergarten (ESK) will continue to be enrolled, this ensure that service providers receive all funding entitlements and that these children have access to 15 funded hours of kindergarten across Victoria. ESK enrolments contribute to School Readiness Funding (SRF) calculations for service providers. It also allows the Department to continue to monitor efforts to engage the most vulnerable children in kindergarten across Victoria and provide additional targeted support where required through SRF or Early Childhood LOOKOUT.

**Waitlist fee:** A fee for when families register their child directly with a service (not part the councils central enrolment scheme). This fee will not be refunded as it is not part of the Free Kindergarten subsidy, and not related to the fee charged for delivery of the kindergarten program.

**Excursion/service event charge:** An additional charge required to meet the cost of special events or excursions that occur in response to emerging children’s program needs. Events that are planned ahead and are included as an expenditure item in the service’s budget do not incur this additional charge (*refer to Excursions and Service Events Policy*)

**Fees:** A charge for program hours over and above the 15 funded hours per week (600 per year) and/or wrap around care.

**Free Kindergarten:** A Victorian Government initiative providing free kindergarten programs for four-year-old and three-year-old children in funded services

**Enrolment deposit:** A charge to secure a place that has been offered in a program at the service. This should not act as a barrier to enrolling for any families. Services must ensure that families understand that the enrolment deposits will only be refunded if the child commences in the service.

**Voluntary parent/guardian payment/donation:** A voluntary payment/donation for items not directly related to the provision of the children’s program. Explicit and written agreement from a parent is required for any voluntary payments. Attendance at the service is not conditional on this payment.

**Wrap around care:** care that is provided by a kindergarten service to kindergarten children outside of the 15 hours per week program.

## ATTACHMENT 1. FREE KINDERGARTEN INFORMATION FOR FAMILIES

Deepdene Preschool Centre 2023

### 1. General information

Kindergarten programs for four-year-old and eligible three-year-old children in Victorian Government funded services will be free as part of the Best Start, Best Life reform.

This investment will save families up to \$2,500 for each child enrolled in a participating funded kindergarten program.

DET also provides funding to assist eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs.

### 2. What free kindergarten means at our service

Deepdene Preschool Centre has opted in to the Free Kindergarten initiative. Applicable parent fees are outlined below:

- Funded sessional kindergarten for 3-year-old children (up to 15 hours per week) – no parent fee
- Funded sessional kindergarten for 4-year-old children (15 hours per week) - no parent fee

Deepdene Preschool Centre will reimburse families in full for any kindergarten fee deposit (*refer to Definitions*) payments that have already been made upon acceptance of enrolment, excluding any voluntary parent donations/payments that you agree to in writing.

### 3. Other charges

Other charges levied by Deepdene Preschool Centre are included on the Statement of Fees and Charges, that will be provided to families upon enrolment.

These include:

- **Excursion/service event charge (outside of the 15 hours per week program):** At times throughout the year an additional excursion(s) or event(s) may be arranged where it is considered relevant to the service's program and the children's interests. At this time any additional costs to families are taken into consideration before a decision is made (*refer to Excursions and Service Events Policy*).
- **Late collection charge:** The approved provider/Committee of Management/Board [delete whichever is not applicable] reserves the right to implement a late collection charge when parents/guardians are frequently late in collecting a child from the service. This charge will be set at a level determined by the approved provider/Committee of Management.

### 4. Additional hours and/or wrap around care fees

Deepdene Preschool Centre offers families in the four year old kinder group 5 hours above the set 15 hours per week (600 hours per year). The additional hours fee is determined by the hourly program rate based on the scheduled 2023 fee (excluding the costs of regular incursions and excursions).

### 5. Fundraising and voluntary parent payment/donations

While **participation in fundraising/donation is voluntary**, the support of every family is encouraged. Fundraising activities are also an opportunity for families and communities to come together. Deepdene Preschool has a voluntary Maintenance contribution fee of \$150 per annum.

## **6. Payment of fees for extended hours/wrap around care. Fees are payable for hours over and above 15 hours per week (600 hours per year) and/or wrap around care.**

The approved provider/Committee of Management will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations.

Fees will be invoiced to parents/guardians directly and must be paid by the date indicated on the invoice. Each invoice will be accompanied by payment instructions. The first term's fees must be received in full prior to the child commencing at the service. For children enrolled after the commencement of a term, a pro rata invoice will be issued and must be paid in full within 14 days of the child's commencement at the service. Receipts will be provided for all fee payments.

Parents/guardians experiencing difficulty in paying fees are requested to contact the Treasurer to arrange a suitable alternative payment plan. The *Privacy and Confidentiality Policy* of the service will be complied with at all times in relation to a family's financial/personal circumstances.

## **7. Unpaid fees for extended hours/wrap around care**

**If fees are not paid by the due date, the following steps will be taken.**

- An initial reminder letter will be sent to parents/guardians with a specified payment date, and will include information on a range of support options available for the family.
- Where payment is still not received, families will be invited to attend a meeting to discuss the range of support options available and establish a payment plan.
- Failure to attend the meeting and continued non-payment may result in a second and final letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or a payment plan is entered into within a specified period of time. This letter will also include information on a range of support options available for the family.
- The approved provider/Committee of Management will continue to offer support and will reserve the right to employ the services of a debt collector.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing.
- No further enrolments of children from the parents/guardians will be accepted until all outstanding fees have been paid.

## **8. Refund of fees**

The enrolment deposit (*refer to Definitions*) will be fully refunded to families only when the child commences at the service. Non-refundable waitlist fees (*refer to Definitions*) paid will be retained.

In any other case, additional hours are non-refundable (exceptional circumstances may apply – these are at the discretion of the Committee of Management/Board [delete whichever is not applicable]). There will be no refund of these fees in the following circumstances:

- a child's short-term illness
- public holidays
- family holiday during operational times
- closure of the service for one or more days when a qualified educator is absent, and a qualified reliever is not available
- closure of the service for staff training days
- closure of the service due to extreme and unavoidable circumstances.

In addition, there will be no refund where a family chooses not to send their child to the program for the maximum number of hours for which they are enrolled.

## **9. Support services**

Families experiencing financial hardship often require access to family support services. Information on these services may be available from the kindergarten service provider or alternatively families may contact the local council.

## **10. Notification of fee changes during the year for extended hours/wrap around care**

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point. Parents/guardians will be notified one term in advance of any required fee increase and will be offered the option to request a payment plan.

We pride ourselves on maintaining the kindergarten room, equipment, garden and playground to the highest standard we can. In order to help with this we do have a one off annual voluntary maintenance levy that we ask families to consider contributing to. The maintenance levy will be used for things such as repairs to the kinder and equipment, updating the facilities when we can and general upkeep. We are grateful and appreciative of all contributions received. If you have further questions regarding how the maintenance levy is used please don't hesitate to speak with staff.

The Victorian Government provides per capita funding to support children to access a kindergarten program in the year before they start school. This funding is a contribution towards meeting the cost of our 4yo kindergarten program and is based on the number of children enrolled in the 4yo program at Deepdene Preschool.

In 2025 our kinder is part of the Victorian Government Free Kinder program providing free kinder to 3yo (15 hours free kinder) and 4yo (15 hours free kinder, optional additional hours are charged at full fee) children.
